Far From Perfect

EXT. RESIDENTIAL STREET

ADAM ABRAHAM, a wealthy and powerful villain, is pacing the streets of Westmount with SMART ALEX, a scrawny and dry-witted young henchman.

ADAM ABRAHAM
Did you ever wonder what life's all about.

SMART ALEX
(shrugs) I'm not the one with the magic naming tongue.

ADAM ABRAHAM
So I can change anything's nature just by renaming it. My girlfriend may be Perfect,

Still image of PERFECT, a gorgeous woman in a French Maid's Outfit, eager to please.

ADAM ABRAHAM (CONT'D)
but that doesn't mean I have any idea what everything's for.

SMART ALEX
It's gotta mean something? Come on! You turned The Lowlander

THE LOWLANDER, a tall muscular man with a lantern jaw dressed in a black trenchcoat, shakes a fist at the camera.

into the Ballerina.

THE BALLERINA does a pirouette.

ADAM ABRAHAM
Yeah, good times . . ..

SMART ALEX
You've just got it too easy.

ADAM ABRAHAM
(stops). That's it! Smart Alex, I'd call you a genius but you might take over the world. Let's go!

SMART ALEX
Where to?

ADAM ABRAHAM
Back home, to my Average Apartment.

A still image of Adam's Westmount mansion goes *poof*, replaced by a Montreal apartment building.

EXT. MONTREAL APT. BUILDING

SMART ALEX
What?!

ADAM ABRAHAM
Shhh! Joanne is waiting.

A still image of Perfect goes *poof*, replaced by JOANNE LEFEBRE, looking disgruntled.

INT. LIVING ROOM

Joanne is touching the walls as if to verify it's all real.

JOANNE LEFEBRE
(grabbing Alex's lapels) Adam Abraham! . . .. What did you do?

ADAM ABRAHAM
(tries to kiss her. Fails)
Oh, I *really* missed break-up sex . . ..

Joanne slaps Adam

ADAM ABRAHAM (CONT'D)
(singing:) Listen, my love, I know I've disappointed you-

JOANNE LEFEBRE
You think?

ADAM ABRAHAM
I was seduced by power, but all of that has changed. I've come to understand that I had been deranged. Now I'm giving up my powers, I'll no longer be that man. What do you think?

JOANNE LEFEBRE
I think I understand. (begins singing too) You're a jerk! You don't deserve me. I was there for you before you changed, back when I was free. And now you want me there for you when you rearrange.
(MORE)

JOANNE LEFEBRE (CONT'D)
Lover, better think some more -
that's pretty much deranged.

ADAM ABRAHAM
But you will

SMART ALEX
Oh yes, she will

JOANNE LEFEBRE
Yes, I will stay with you
regardless, even though I've had my
fill.

ADAM ABRAHAM	JOANNE LEFEBRE
Because you love me, even though I am a jerk. And now that we have sung this song, we better choose to get along! Because, no matter what I'm still *your* jerk.	Because I love you, even though you are a jerk. And now that we have sung this song, I suppose we need to get along! Because, no matter what you're still *my* jerk.

(song ends)

SMART ALEX
(brings out cigarettes) Was it good
for you?

ADAM ABRAHAM
Since I can change other people,
I've decided to try changing
myself. I could be "Destructo".

A clip of Adam dressed as a dark, brutish Conan-like warrior.

JOANNE LEFEBRE
I like "Typhoid Mary".

Adam wearing a matted gray wig and a terrible sackcloth gown.

SMART ALEX
How 'bout "The Thespian?"

Adam dressed up as Shakespeare.

ADAM ABRAHAM
I hate-ith iambic pentameter.

JOANNE LEFEBRE
Or you could be The Mirror Man, or
Lycanthrope, Swiss Army Knife!

SMART ALEX
Explodio, or Alcatraz!

JOANNE LEFEBRE
The Quark - he's smaller than the Atom . . ..

ADAM ABRAHAM
What I really need is somehow, to be, free, like others, for discovery.

JOANNE LEFEBRE
To know, for sure, that every day's a new day.

SMART ALEX
(to Joanne) You two are heading for catastrophe.

ADAM ABRAHAM
That's it! I am Catastropus,

ADAM is suddenly CATASTROPHUS, LORD OF CHAOS.

CATASTROPHUS
Lord of Chaos! All will bow in homage to my uncertain magnitude! Randomness burns in my veins.

JOANNE LEFEBRE
What did you do?

CATASTROPHUS
I am misrule.

JOANNE LEFEBRE
You're insane. (spoken:) You're not my boyfriend!

Joanne storms out - and Canadian Tyr storms in.

THE LOWLANDER
I have returned, villain!

Catastrophus takes a look at Canadian Tyr, squeaks, runs for the back door. It sounds like the apartment is falling down.

EXT. DARK ALLEYWAY

THE LOWLANDER
Come back here, nemesis!

He races past Catastrophus and Smart Alex, hiding behind a dumpster. The apartment building is definitely collapsing.

CATASTROPHUS
This is a bit more randomness than I was hoping for.

FADE OUT
